

Teacher **Appreciation** WEEK

May 1, 2017 – May 5, 2017

Dear Parents,

Teachers play a key role in student's success, and sometimes a simple "thanks" is all a teacher needs to feel valued. We know how much parents love their child's teachers and how often you are willing to show them. We **Appreciate** our teachers' sooo much that we'd like to go the extra mile to make them feel super special. Let's show the teachers our appreciation.

Here are some ideas for each day to help celebrate your child's teacher:

Monday Madness: Your teacher is creative, let's be creative and make something silly or crazy... i.e. make a silly hat for her, funny balloons, write her a joke or a creative gift.

Tuesday Spree Day: Send your teacher on a Shopping Spree with a gift card.

Cheat day Wednesday: Let your teacher have a cheat day and bring in a special treat. Some Bagels, Pastries, Chocolates, Donuts, Candy, Desserts, Fruits, even Chocolate covered strawberries if you're feeling creative.

Thankful Thursday: Let's take time today to really thank our teachers for all they do, write her a note, make a picture, send her a gift card, and/or flowers.

Fun Day Friday: 'Lunch In', help us provide a "Thank You Lunch" for our teachers. We would like to provide our teachers with a special lunch on Friday and are asking if parents can donate a minimum of \$2-\$3 each and we will order a special lunch for them.

These are some suggestions. You can pick a day, a few days, or do something every day. Thank you for showing your child's teacher how much they're appreciated.
